Fund Type : Open-End Mixed Fund,RMF,Cross Investing Fund,Fund of Funds, Fund with Domestic and Foreign Country Risks

Investment Policy : The fund will invest in at least 2 or more domestic or foreign mutual funds, infrastructure funds, and property funds averaging at least 80% of NAV. The investment policies of these master funds focus on equities, fixed income, alternative investments, and/or other securities and assets as permitted by the SEC. Investment in any single master fund will not exceed 79% of NAV; portfolio weightings can be adjusted to fit the investment climate as necessary. The fund may also invest in other mutual funds, property funds, real-estate investment trusts (REITs), and infrastructure funds under management of KTAM up to no more than 100% of NAV. Note that the fund does not guarantee the rate of return; investors' actual financial return from the investment may be lower than the benchmark. A medium to long term investment period is advisable (3 years or more)

Dividend Policy : No dividend
